Cavaletti Go

Cavaletti Go

The Go line was created to offer flexibility – both aesthetic and functional – for contemporary environments. Thus, the original concept unfolds in multiple configurations to meet the needs of each use – Can be in a meeting room, a cafe, a waiting space or even a home office.

The result is a pure design, with precise and iconic lines, which can be complemented with accessories for progressive levels of comfort according to the time of use. The complements allow you to modify the product's aesthetics and adapt it to the identity of each space.

CHARACTERISTICS

VERSATILE ARMS

Integrated into the product design, allowing for stacking.

STACKING PROTECTION

Injected counter seat for protection during stacking.

SMART UPHOLSTERY

Allows the addition of upholstery independently on the seat and backrest, increasing the comfort level progressively. Available in two thickness options: 7mm or 25mm.

STACKING CAPACITY

Stacking up to 15 chairs (on trolley for transport).
Stacking up to 6 chairs (outside the trolley).

*Trolley for optional transport.
