# Cavaletti Viva

Inspired by nature, the Viva line brings exclusive tones to be combined with different configurations, adapting to any environment. In addition to the variety of colors, the products feature a Cavaletti design, which is exclusive and more ergonomic.

Enjoy, imagine, create. Viva!

## VERSIONS

### VIVA

The models of the Viva line have a handgrip, which facilitates handling and transport. Available in fourteen different shades.

### VIVA SPM

The Viva SPM version brings the Viva chair without the handgrip in four color options: Blue, Red, White and Black. Available for all configurations.

Learning environments designed to inspire. The Viva chair with 360° clipboard allows easy access and mobility, as it can be used on the left or right side, in a longitudinal, horizontal or inclined position. Ideal for layout readjustments, to promote interaction between participants in learning activities in an active way and in groups, with a unique color palette to personify collective environments.
